These are two of the biggest "all scouts invited" BSA Centennial Celebration events! Please, plan on participating.

Big Fresno Fair Scout Show

October 7-18, 2009

Fresno County Fairgrounds

What a chance to show the public what scouting is all about! We have a large prime space in one of the exhibit buildings, where we will have ongoing hands-on activities, static displays, demonstrations, actual unit meetings, videos, and more set around a Camp Chawanakee camp scene! We need Cubs, Boy Scouts, and Venture Crews to show the public what Scouting is all about. Units are already signing up to make sure they have a presence. More information will be coming out shortly. **Contact Scott Holm at 213-9596 or email at: scottmst@aol.com**

Sequoia Council Camporee

April 16-18, 2010

Fresno County Regional Sports Complex

What a blowout this will be! All the plugs will be pulled to make this a Council Camporee to always be remembered! There will be elements of a regular camporee, but we will have separate Cub, Scout, and Venture activity areas. We plan on having unique all day events, demos, vendor/activity midway, celebrity guests, and much more! The public will again be invited so we can showcase Scouting on our 100th birthday! More information to come...**contact Greg Ferguson, Centennial Camporee Chairman at 287-3514 or email at: gferggie@gmail.com**
