

## Camp Chawanakee Alumni Association

**What is it:** A group of people who have served as staff at Camp Chawanakee since it's start back in 1947.

**What does it do:** The primary focus of this group will be to keep those who once served as camp staff updated on what's going on at Camp Chawanakee. In time we hope to create this into a group that helps out with the future of Camp.

**Who can join:** Anyone who has worked on staff at Camp Chawanakee.

**Is there anything planned for now:** Right now the Sequoia Council is starting a scholarship for current Camp Staff members in the hopes of promoting education amongst staff. What part the Alumni Association will take in this is still being planned.

**How can I join:** All you need to do to join is to fill out this application and send it in to the Sequoia Council Boy Scouts. You should receive a confirmation letter welcoming you and thanking you for your interest in helping Camp Chawanakee continue to offer a quality Scouting program to scouts.
