1. All cars must pass inspection to qualify for Tiger, Wolf, Bear, Webelos, and Boy Scout Classes. Cars not meeting these qualifications may be able to compete in the Open/Vintage Classes under the conditions that the car is not propelled, would not damage the track, and does not pose a danger to any person or property. The inspection points are as follows:
 - a. The car must have been made during the current school year
 - b. The width of the car shall not exceed 2 ¾ inches.
 - c. The length of the car shall not exceed 7 inches.
 - d. The weight of the car shall not exceed 5 ounces.
 - e. Axles, wheels, and body wood shall be as provided in the kit. Only official BSA wheels and axles are acceptable. No knife wheels. **Pre-cut kits wood bodies are ok for race.**
 - f. Wheel bearings, washers, and bushings are prohibited.
 - g. The car shall not ride on any kind or type of springs.
 - h. Any details added must be within length, width, and weight limits.
 - i. The car must be freewheeling, with no starting devices.
 - j. No loose materials of any kind (such as lead shot) are allowed in the car.
 - k. The official number must be clearly marked or visible on both sides of the car. **Note: this will be done at registration by pit crew officials.**
