Questions: Call Ryan Merriss (559) 553-5647; rdmerriss@yahoo.com

1. All cars must pass inspection to qualify for Tiger, Wolf, Bear, Webelos, and Boy Scout Classes. Cars not meeting these qualifications may be able to compete in the Open/Vintage Classes under the conditions that the car is not propelled, would not damage the track, and does not pose a danger to any person or property. The inspection points are as follows:
 - a. The car must have been made during the current school year
 - b. The width of the car shall not exceed 2 ¾ inches.
 - c. The length of the car shall not exceed 7 inches.
 - d. The wheel base shall not be extended.
 - e. The weight of the car shall not exceed 5 ounces.
 - f. Axles, wheels, and body wood shall be as provided in the kit. Only official BSA wheels and axles are acceptable (nail type). No knife wheels. **Pre-cut kits wood bodies are ok for race.**
 - g. Wheel bearings, washers, and bushings are prohibited.
 - h. The car shall not ride on any kind or type of springs.
 - i. Any details added must be within length, width, and weight limits.
 - j. The car must be freewheeling, with no starting devices.
 - k. No loose materials of any kind (such as lead shot) are allowed in the car.
 - l. The official number must be clearly marked or visible on both sides of the car. **Note: this will be done at registration by pit crew officials.**
