KEY 3 MESSAGE

This is an exciting time to be a part of the Boy Scouts of America. Not only have we grown more than ever, but also our program is having a greater impact on the lives of young people. This is why it is even more important today to invite more youth to join Scouting.

We would like to challenge everyone to invite somebody to join scouting this year. If everybody in the Kings River District invited one person to join Scouting, we would increase in membership by nearly 700 youth!

We want to thank everyone for all their efforts. Together, we can make a difference!

This is a great opportunity to receive training from the finest scouters of the Sequoia Council. Go online to www.seqbsa.org for more information and register for this event.

RECHARTERING

Unit Rechartering has just become easier! The Sequoia Council will be conducting recharter over the Internet. No more forms to track down or papers to lose. Everything is done conveniently via the Internet.

Invest in youth. The youth of America need us now more than ever! If you haven't had the opportunity to make a contribution to our Friends of Scouting campaign, then contact our District Executive, Pete Maskovich at 618-1939 to make your pledge.
