

LEARNING FOR LIFE

Post Rechartering

The annual recharter will begin for Post in October. If you do not have youth registered they are not covered under the insurance program. Please watch upcoming emails for the date and time.

If you need to register any new adults or youth please contact Fred Broad Jr.

Explorer Weekend

The annual Explorer weekend camp out at Camp Chawanakee was very successful. There were over 250 youth in attendances in May. Next year the Explorer weekend is scheduled for May 11th through the 13th. The youth went fishing, hiking, climbed the 53-foot rock wall and participated on the archery range. A dance was held on Saturday night with a bonfire on Friday evening. Make your plans to attend in 2007.

New Posts

I would like to welcome the McLane High School Army JROTC Post 83 the Madera County Fire Department Post 19 and Farmersville Fire Department Post to the list of current Explorer Post's.

Fundraiser Opportunity

The Explorer Posts are invited to participate in the annual popcorn sale fundraiser. This is a no risk fundraiser and a great opportunity for you to raise 35% of your total sale for the Post. Contact Fred Broad Jr. at (559) 709-4288 for more details.

Desert-Com 06

The Modesto California Highway Patrol Post 4125 pictured below, traveled to the El Centro Area to compete in the Imperial Valley Explorer Competition, "Desert-Com 06". It was held Friday, June 23 through Sunday, June 25, 2006. Yes in 114-degree weather!

There were 12 Explorer Post's in attendance. The Post's were from the El Centro region and included the Los Angeles Police Department and the United States Border Patrol Explorer Post. Modesto was the only CHP Post in attendance.

There were 12 events in which the Explorer Posts participated and Modesto placed in the following events:

1st Place

4-Person Obstacle Course

DUI Arrest

Active Shooter Incident

4th Place

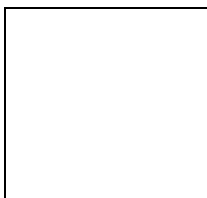

Female 5K Run

2-Person Bicycle Obstacle Course
