KEY 3 MESSAGE

You are about to embark on the best Scouting year that you have ever had! As the new District Chair, with the good Lord's help and with your willingness to serve, *together* we will be able to provide a Scouting experience to the youth in our District that they will remember for a lifetime! How will this be accomplished? First, remember your most "prized" Scouting memory, bring *that* moment that makes your heart flutter and a tear to your eye to *each* meeting you attend. Bring that *excitement* with you and *live* it as you greet another Scouter, be it boy or adult leader. Of course you *will* attend Roundtable, you *will* sell popcorn and proudly wear the tan and green. But more than that, today, right *now*, BE the Scout that you will know will *enrich* those around you! The harvest is great, and it will be blessed as you lay your hands to it!

Joe Morgan
District Chair

RECHARTERING

It is time again for rechartering. What is rechartering you ask? This is the opportunity to update all information on your unit's roster, add new youth and adult leaders, or delete those who are no longer involved. Recharter packets will be distributed at the October 12th Roundtable. Online rechartering is also available! Come learn all about it at the October Roundtable. Recharter night, is the time to sit down with an expert and process your charter or receive assistance with online rechartering will be held on November 9th during Roundtable.
