

LEARNING FOR LIFE

LEARNING FOR LIFE EXPLORING WEEKEND

On May 19th over 250 youth and adults descended upon Camp Chawanakee for the annual Learning for Life and Exploring weekend. Groups from the Clovis DARE program, UCS Lemoore, Clovis Police Department Explorers, Fresno High School Army JROTC and Central West AVID Explorers spent the weekend rock wall climbing, fishing, swimming, boating, doing arts and crafts, hiking and practicing their archery skills.

On Friday night the youth enjoyed a campfire and stage acts where youth performed skits and sang songs to entertain their fellow classmates and others in attendance. Saturday night was the dance held in the dining hall from 8:00 to 10:00 pm for the younger youth and then from 10:00 to 11:00 pm for the older youth.

All in all it was a great weekend and everyone had a great time. Next years LFL and Exploring weekend is already being planned and scheduled for May.
