- 20-OA Chapter Mtg

A Message From Your District Leadership

We would like to welcome Chris Johnson to the district as our District Chairperson. Chris has been very active as the Chairperson from day one. If you see Chris welcome him into our district.

Earn the Centennial Recruiter Patch Today!

Scout leaders, if your scout recruits a friend, he qualifies for the Centennial Recruiter Patch! Lets bring the scouting movement to youth everywhere. Contact Richard Duran or Juventino Solis at (559) 320-2100 for more information

POPCORN

If our popcorn pre-orders are any indication of our district popcorn sales. The Chawanakee district will be having a lot of success and all units selling popcorn are going to be making some serious money. Our pre-sale order was almost \$40,000 which is over ½ of the district goal for popcorn sales. This will represent over \$12,000 in commission to Scouts. Not too late to sell. Call Service Center for information.

Almost there...

Attention all units: we are coming closer to the end of the year. We all know what that means – rechartering time. Please be sure that all members of your unit, adults and youth, are showing up on your unit roster. Please contact Richard Duran or Juventino Solis to obtain a roster copy. This year, rechartering will be handled via the Internet only. Streamline the process by making necessary roster corrections today.

Let Us Help You

Want to recruit some more youth and adult leadership? Host a recruitment effort. Please contact Richard Duran or Juventino Solis at 559-320-2100 for recruitment assistance.

FOS

Almost there, our FOS campaign is moving right along. We had hope of being complete by now. Please consider a year-end tax deductible donation for scouts. Your donation helps bring Scouting to the community and also is utilized to help Scouts that would not otherwise be able to afford scouting. Call Richard or Juventino for more information at 320-2100.

Training

Every boy deserves a trained leader. Please attend the Council Day of Training on October 20th. Call the Fresno Scout Service Center today for more information.

Happy Thanksgiving and Merry Christmas

At this time of year, we always give thanks for what we have. The District Committee would like to thank each and every one of you who volunteer your time to Scouting. Without you Scouting would not be possible in your area of the community.

THANK YOU!!
