FALL RECRUITMENT

Scoutreach has set an ambitious 12.5% increase in membership this year. This will bring the total youth served to 2052. We plan to accomplish this mark by scheduling multiple recruitments at each of our present 44 school sites and expanding the Scoutreach Program to a minimum of 4 additional school sites.

SCOUTREACH FOS REACH RECORD HIGH

Thanks to the outstanding efforts of John Dodson, Fred Broad, Larry Bethers, Curtis Alexander and many Executive Board Members, Scoutreach raised a combined total of \$43,737 between the District and Sponsorship campaigns. This represented a 109% of goal and was achieved before the June 30, 2007 deadline.

POPCORN

Scoutreach plans to increase its gross popcorn sales from last year's total of \$2247.00 to \$4000.00. The team plans to achieve this goal by increasing the number of school sites participating in popcorn sales from 5 to 10.
