District Executive Comments

The Chawanakee District is one of the largest districts within the Sequoia Council. Having Fresno and Clovis as our "playground" we should have a lot more volunteers, scouts, publicity, recognition in the community etc. etc.

Stating the above, I would now like to "charge" you with helping out the district. We need more volunteers in order to make the Chawanakee District better. We are in desperate need of committee members in membership, advancement, commissioner service, activities, public relations and in our finance committee.

Basically stated, WE NEED YOUR HELP!!!! Call Richard Duran at 320-2100 ext 119 or cell phone at 696-7676 for more information. Thank you, Richard Duran, SDE

District Award of Merit

A special congratulatory mention goes out to **Linda Alvord** and **John Ferretti** for their efforts and time volunteered at the district level. Lets all join in recognizing Chawanakee's great volunteers.

Recruit, Recruit, Recruit

If your unit is in need of some scouts, please call your District Executives to arrange a recruitment night. Let's work together to give every boy a chance to enjoy the benefits of scouting. Your District Executives can be reached at the following telephone numbers:

- Richard Duran; B: 320-2100 ext. 119 C: 696-7676

- Juventino Solis; B: 320-2100 ext. 118 C: 289-0816

CUB SCOUT DAY CAMP

A big **THANK YOU** goes to **Diane Humann** and all the volunteers for helping put on another successful **DAY CAMP** at Fresno County Sportsman's Club.
