## KEY 3 MESSAGE

As summer comes into full swing, we hope that everyone takes advantage of the many different outdoor activities that are available to us here in the central valley. Within a relatively short drive we have the coast, desert, and sierras, areas that are all ready to provide outdoor adventure to those who take advantage of the opportunity. So get out there and put the "outing" in Scouting.

## TOGETHER WE PLAN

The together we plan night is scheduled for August 16<sup>th</sup>. This is also the night of the August Roundtable and ice cream social. If you attend only one roundtable this year, attend the August one. Dates for all the district activities, trainings, and special events will be given out at this Roundtable, as well as, large amounts of ice cream. See you There!!!

## RACE TO CUB SCOUTING

*Fun at Every Turn*

Has your pack set a date for its Race to Cub Scouting recruitment? Every pack should recruit at least 20 new cub scouts this fall. The Race to Cub Scouting blitz night is your best opportunity to recruit new members. Call Pete Maskovich at 618-1939 for more information.

## POPCORN CAN MAKE IT HAPPEN

Would you like your scouts to have "The ideal year of scouting"? Popcorn can make it a reality. When done properly, a popcorn sale can be the one and only fundraiser your unit does all year. If you have questions about how popcorn can give your scouts "The ideal year of scouting" call Shane Burns at 582-0326

## CHARTER RENEWALS

Rechartering is easier than ever!! Online recharter eliminates the hassles and hand cramps of traditional "paper" rechartering. Our team of well-trained commissioners are ready and willing to help you get through the rechartering process as quickly and early as possible. Set aside time this fall to recharter .

## TRAINING

*"Every scout deserves a trained leader"*

A few trainings have been cancelled recently due to lack of participation. That is disappointing. Untrained leaders not only cheat themselves out of an opportunity to develop leadership skills, but also cheat scouts out of a quality program.

Our district is lucky enough to have an excellent training team. Take advantage of the many training opportunities in our council.

Contact David Higginboth at 587-9065 for more information.
