KEY 2 MESSAGE

As this New Year begins, we would like to encourage everyone to renew their efforts in scouting. Our program has a positive effect on the youth of America. Everything we do in scouting not only makes a difference today, but also is making tomorrow a better place. These are the future leaders of our community. Together we are ensuring that the freedoms we enjoy today will continue for generations to come.

Yours In Scouting,

David Droker

Pete Maskovich

District Chairman

District Executive

SCOUTING FOR FOOD

Our annual food drive will take place February 4th through the 10th. This food drive will benefit the local food banks of Kings County. Do "A good turn for America" and participate in Scouting For Food.

TRAINING

"Every Scout Deserves a Trained Leader"

Be sure to take advantage of the many opportunities to get trained. Training will make you a better leader. If you are already trained, then contact our district training chairman David Higginbotham about being on staff at the next training.

Contact David Higginbotham at 587-9065 with any questions

CENTENNIAL AWARD

The Centennial Award has taken the place of the Quality Unit Award. Unit Commissioners will be visiting all the units in January to help them set goals for 2007. This will work in conjunction with your yearly plan. Ask your Unit Commissioner for details.

FRIENDS OF SCOUTING

Our 2007 campaign is here and is already shaping up to be a huge success. Our Scouters have set the bar for the district by raising 110% of their goal.

This fundraising campaign makes Scouting possible for the 11,000 youth in the council.

Make a commitment to youth, be a Friend of Scouting.
