SCOUTREACH PERSONNEL

The Sequoia Council is pleased to introduce Curtis Alexander as the new Senior District Executive for the Scoutreach program. Curtis has been involved in Scouting for almost 4 years and has held positions within the council such as District Executive of the Chawanakee district as well as served as the Camp Chawanakee Business Manager and started his career in Scouting as a part time employee in the Scoutreach program.

July Clements has resigned due to becoming a new mother of a baby boy born in October. We wish Judy and her new family well.

Please join me in welcoming Curtis to the Scoutreach program.

POPCORN

Congratulations to the Scoutreach programs that sold popcorn. Several sites sold popcorn and together they sold over \$2,500.00.

The monies raised from the sale will be directed back in to the Scoutreach sites accordingly.

SPRING RECRUITMENT

ALL school sites will be asked to help recruit youth in the springtime. New youth will be recruited for the summer programs.

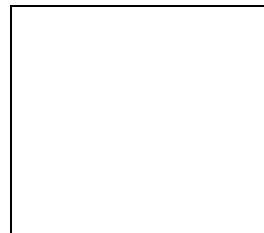

In 2006 we reached 103% of our goal with all pledges being paid in full. Thanks to everyone who made donations.
