KEY 3 MESSAGE

Have you talked to a Boy or Cub Scout lately? For those of us that volunteer in positions in a Pack or a Troop, this is a weekly (and sometimes DAILY) occurrence. For those of us that fill a position on the District or Council level, this is a much rarer occurrence. How many times do we go to a Scout function and “chum it up” with the other “shumma-shumma District or Committee somebodies” and *completely* ignore the Scouts? Let ours be a District where the leadership focuses on the Scouts that we SERVE!!! TALK TO THE SCOUTS!!!

DISTRICT DINNER

**Please keep
April 25 open
for our
District Dinner!**

**Details will be
forthcoming!**

DISTRICT NOMINATING COMMITTEE

We are pleased to announce that Chrissie Rivera has agreed to be our new Youth Protection Chair! She may be reached at chrissie_caleb_rivera@yahoo.com

FLAG TO BE DONATED

Troop 282 in Reedley has a brand new indoor American flag that they are looking to donate to any unit or organization that can make use of it. Be advised—it is very big (6' x 8'). For info contact Fred Collins at 559-638-7708.

CUB DAY CAMP PROMOTION

Time for your Cub Scout Pack to get out their 10 gallon hats, plaid shirts & Levis and get ready for the western-themed Day Camp scheduled for July 7-11 at the First Free Will Baptist Church in Selma. CAMPOREE PROMOTION

Camporee is going to be really cool this year! Camp Chair Fred Collins has put together a program that will challenge and teach. Lots of fun too! Webelos may attend if the leader has taken BALOO training. Camporee will take place April 18-20 at Hobbs Grove south of Sanger. Yes, the Haunted Forest will be in operation! Call Fred for details at 559-638-7708.

SPRING MEMBERSHIP ROUNDUP

Our Membership Chair Matt Nash has reported that many of our units have scheduled recruitment nights, but there are still units to be heard from. Cubmasters & Scoutmasters please have a date in mind for a recruitment meeting when either Matt or a Committee Member calls you. If you have a date already set, please let Bob know at the Council office.

TRAINING

You will be amazed at how much training you can receive at the Sequoia Council website! For specifics, please contact Training Chair Ben Collins at 559-638-7708.

UNIT HIGHLIGHTS

Fun was all over the District during the Pinewood Derbies! Miss Dinuba made an appearance at Pack 367's! We would also like to mention that our newest Pack #356 in Woodlake had their first. The cars looked great!

RECOGNITION

Congratulations to Reedley Troop 282 on the celebration of their 80th anniversary. We would also like to acknowledge their long time Charter Partner the Reedley Lions Club for their generosity to the troop.
