A MESSAGE FROM OUR DISTRICT LEADERSHIP

As we strive to steer the Chawanakee District toward program, membership, and financial success, we would like you to know how much we appreciate your efforts. As a team, we can grow the Scouting movement and have a great impact on the lives of the youth in our communities.

District Chair: Chris Johnson

District Commissioner: Phil Sage

District Executives: Richard Duran & Juventino Solis

WHAT IS A UNIT COMMISSIONER?

A Unit Commissioner is the communication link between your unit and the Council office. Unit Commissioners are the first to know about upcoming events, promotions, and other Scouting efforts. The Commissioners' meeting is held once a month and is where all sorts of Council information is released. If your unit does not have a commissioner or you would like to represent a unit at the Commissioners' meeting, contact Phil Sage at phils-place@aol.com. With a commissioner, your unit can stay in the loop!

CUB SCOUT DAY CAMP

A special thanks goes out to Camp Director Diane Humann, Program Director Sheila Maskovich, and the best day camp staff in the entire Council. With over 200 kids attending our day camp, we provided priceless memories for the youth in our communities.

BE PREPARED FOR 2009

"Be Prepared" is the motto of the Boy Scouts of America. In order to be prepared, we would like each unit to assign a person who will be working on your unit's rechartering for 2009. In July, all Cub Masters, Scoutmasters, and Committee Chairs will receive a form to complete and send back to our office. This will afford our district an opportunity to direct information and training to the right person. Thank you for being prepared. Call Richard Duran for more information at 559-320-2100 ext. 119.

TRAINING

Every boy deserves a trained leader. With that in mind, we offer a variety of trainings to help leaders become more effective in delivering a quality program. Some are offered via the Internet. Others are completed in person. If your pack, troop, or crew needs some training, let us know, so we can assist you and other leaders. Please contact Juventino Solis at 559-320-2100 for more information on how to get trained.

POPCORN SEASON COMING SOON

Did you know that the average commission earned by units selling popcorn last year was over \$800! Teach Scouts to "pay their own way" through popcorn sales. Popcorn sales efforts are coordinated through the Sequoia Council, so all you have to do is participate in selling Trail's End Popcorn products. It's that easy! Contact Tino Solis at 559-320-2100 to learn more about the various ways to sell popcorn for your unit.

FALL RECRUITMENT

Let's work together to bring more youth to the nation's number one youth organization. The positive impact you can have on the youth in your communities is priceless. Set up a recruitment night by contacting Juventino Solis at 559-320-2100. Need help with flyers or dispersing information? We can help you with anything you might need. You are instrumental to a successful fall recruitment.

BECOME A SUPER LEADER

If you have completed the New Leader Essentials Training and Leader Specific Training, experience the best of Scouting through our Wood Badge Training course. For more detailed information, call the Scout Service Center at 559-320-2100.
