

SCOUTREACH

SPRING INTO SAFETY DAY

The Scoutreach program leaders and Senior District Executive Curtis Alexander participated in Pacific Credit Union's annual "Spring Into Safety Day" on May 17th. Over 400 people from Fresno, Madera, and surrounding communities attended the event. Families were educated on safety tips for their children. Approximately 250 DNAs and fingerprints were recorded. Other organizations participating in the program were Fresno PAL, the Girl Scouts, and Fresno Chaffee Zoo. The Scoutreach group distributed mini Boys' Life magazines, Sequoia Council wooden nickels, and "Scouting Builds More Than Just Campfires" brochures. They also provided children's songs for the kids.

SUMMER RECRUITMENT

This summer, Scoutreach will be working with our three Boys & Girls Clubs units (Zimmerman, East Fresno, and West Fresno) in growing their membership.

We will be addressing the youth during their summer lunch program from 12:00 p.m. to 1:00 p.m. and at their peak attendance time between 3:00 p.m. and 5:00 p.m.

We will also make an effort to start a Scoutreach unit at the Clovis Boys & Girls Club.

GRIZZLIES SCOUT NIGHT

The Grizzlies' "Salute To Scouts Night" on May 2nd was a major success.

Over 800 tickets were sold. Sixteen hundred dollars of the proceeds will support the Scoutreach program.

The Scouts were treated to a post-game fireworks show and a campfire on the field.

Over 200 Scouts and adults camped out over night on the field after the game.

NEW SCOUTREACH UNITS

We would like to welcome Golden Valley Elementary School of Orosi as a new unit to the Scoutreach program.

A big "THANK YOU" goes to their after school staff for the outstanding effort in getting signed applications for 112 boys and girls.
