KEY 3 MESSAGE

Hello Chawanakee Scouters:

As the New Year begins may we as Chawanakee District Scouters resolve to bring the *'Promise of Scouting'* to the youth in each unit of our district. May we all commit to obtaining BSA Training required for our scouting position so that each youth has trained leaders in 2008. This would also include Wood Badge training. As your district chairman I look forward to seeing each unit work toward the Centennial Quality Unit Award. Achieving this award is an indication of *your dedication* to bringing a quality program to each youth in your individual unit. I encourage **all** unit leaders to set this award as a goal for 2008. During 2008 your Key 3 district members will work hard to have a quality district. This won't be achieved without help. There is currently a need to have Unit Commissioners for units in our district. There are also opportunities to work on various District Committees. If you are an adult interested in becoming a Unit Commissioner or working on a District Committee please contact your Senior District Executive Richard Duran or District Executive Juventino Solis. As we work together in 2008 I'm excited about what each unit can accomplish in the Chawanakee District. I appreciate all the time and dedication you each give in the development of the youth that you serve. Let us all strive to bring the *'Promise of Scouting'* to them during 2008.

Christopher Johnson
District Chairman
Executive

Phil Sage

District Commissioner

Richard Duran

Senior District

CUB SCOUT DAY CAMP

Start planning on attending the 2008 Day Camp at the Fresno Sportsmans Club. Day camp will be June 23-27, 2008. Come join the fun and excitement.

For more information on day camp you can call our office or contact Diane Humann at mtcabby@comcast.net

Got a little time??

The Chawanakee District is in need of Unit Commissioners. The basic responsibility is to check on 1-3 units per month to see what their needs are. We need your help. Email Phil Sage at phil-s-place@msn.com for more information.

THANK YOU FOR YOUR POPCORN SALES

Popcorn sales went through the roof this year. Thanks to all of you who sold popcorn. The Show And Sell was a huge success. Over \$20,000 in commissions were distributed to the units that sold popcorn. THANK YOU.

Are you a trained leader??

Every scout deserves a trained leader. Training opportunities are offered throughout the year, please take advantage of these trainings. Remember you don't have to go to just our district training check with other districts and attend there. Check current calendar for training being offered throughout the council.
