Leaving A Legacy Through Trained Leaders

Sept 16-18, 2011 & Sept 30-Oct 2, 2011 at Camp Chawanakee

Advanced Adult Leadership Training Opportunity

WHAT IS WOOD BADGE ALL ABOUT?

Wood Badge is a leadership course that completes Scouting's Basic Leadership Training program for all levels of Scouting leaders (Cub Scouts, Boy Scouts, Varsity Scouts, and Venturing). Wood Badge for the 21st Century consists of two parts:

Part 1

The first part is six days of learning experience taught over two weekends. During this time participants are trained in and practice leadership skills to better serve the Scouting units in which they are involved. Through this experience, team development, and the practice of leadership models, each participant will come away with knowledge and understanding of how to apply leadership in all aspects of Scouting, as well as in business and their personal lives.

Part 2

The second part occurs after the six days of training are over. Participants will put into practice the skills they have learned by completing a set of commitments made during the course. Through this phase, participants will be guided by a counselor who will serve as a mentor and Scouting friend. This phase will take between 6 and 18 months, depending on each individual's personal goals. Upon successful completion, participants will have earned their Wood Badge Certification.

WHO SHOULD PARTICIPATE?

Wood Badge for the 21st Century is for Cub Scout, Boy Scout, Varsity Scout and Venturing leaders, as well as District and Council Scouting leaders. The course content and leadership principles introduced apply to Scouters in all leadership positions. These skills provide a common leadership foundation that is beneficial for all program areas.
